Dear Parents/Guardians of rising $6^{\text {th }}$ Graders,
Listed are 20 lessons we want children to work on with the goal of achieving a mastery level of $90 \%$ or better on each skill. This is only a minimal list. Students are certainly welcome to go beyond the assigned list if they choose. Teachers will receive a report on the first day of school in August, and students will receive a grade for the completed skills.

Directions for How to Log On: The link to Palmer Catholic Academy IXL log-in page is: https://www.ixl.com/signin/palmercatacd Students should simply enter their usernames and passwords into the appropriate fields. The student will enter the shortcut in the search bar. The screen will look a bit different on a tablet or phone than it does on a computer, but the navigation is essentially the same. Please feel free to contact the school if you have any access problems. Someone will be available throughout the summer.
